

Alabama Criminal Justice Information Center

VISITOR LOG

In accordance with FBI CJIS Security Policy, the Alabama Criminal Justice Information Center must maintain a strict visitor policy to ensure that access to ACJIC, its facilities, and information systems are protected, and to ensure correct, legal, and efficient access, dissemination and use of the information maintained and made available through our systems. ACJIC also is required to maintain a Visitor Log of all visitors, to include at a minimum the following data: Date and Time of Visit; Name of Visitor; Purpose of Visit; Name of ACJIC staff/person member visiting; and the date and time of departure. Visitors must be escorted by an ACJIC employee at all times while they are in ACJIC's facilities.
